

PET MEDICAL CENTER BOARDING

OUR PET HOTEL AND SPA

(559) 436-4444

Pet Accommodations:

- You can choose from various sized cages or runs.
- VIP suite cottages available with cameras that allow you to log in via the internet to watch your pet.
- All accommodations are air conditioned and heated.
- Your dog will enjoy an outside clean gravel potty area that can be easily sanitized for your dog's safety.
- You can bring your own food, or we'll feed your pet Eukanuba Low Residue diet to minimize stress diarrhea.
- Your pet will receive individual attention.
- Will be taken for walks outside.
- Your dog may join the doggie day care activities if he/she passes the temperament test.
- We'll bathe your dog at the end of his/her stay with us, if you desire.
- We have a separate boarding area for cats for their enjoyment.
- Cats are individually housed and have clear plexi-glass on front of cages so they may look out, but are less likely to spread disease to other cats.
